

ABOUT LEGALSHIELD

When Harland Stonecipher was blindsided by a motor vehicle and hospitalized in 1969, he realized it was money, not rights that gained you access to our legal system. After depleting his life savings defending himself against something he didn't do, Stonecipher was determined to make legal protection accessible to everyone, everywhere, no matter how traumatic or trivial the situation, so that no one would ever be blindsided again. And that's exactly what he did.

Now with over 1.4 million members, LegalShield not only provides legal services in 49 states and 4 Canadian Provinces; but also it provides confidence and peace of mind for families everywhere. For one low monthly fee our members gain access to high-quality law firms without having to worry about high hourly costs. Because our attorneys are all paid in advance, they provide the same level of service for trivial or traumatic legal situations.

With humble beginnings in Ada, Oklahoma, LegalShield has now grown to a 70,000-square-foot corporate office on an 80-acre campus with over 700 dedicated employees. Our leaders have decades of experience and our goal remains the same – to create a world where everyone can access legal protection and everyone can afford it.

HOW TO USE THE PLAN:

Members have direct, toll-free access to their provider law firm, rather than having to comb through the yellow pages for a referral. Provider firms are carefully selected and the quality of service is closely monitored to maintain the highest of standards. Last year alone, our firms received over 2.1 million calls from our Members.

For less than \$20 a month an experienced, responsive and reliable law firm in your area will champion your cause whenever the need may arise. Call about anything you want. Simply call your provider firm to put your lawyer to work for you. We even provide 24/7 access for emergencies.
